Dear Mr. Rhea:

Thank you for your letter of February 28, 1950, and for your generous expressions which I value highly.

I am very grateful that so many, like yourself, are alive to the strong spiritual message that we believe our production of SAMSON AND DELILAH carries.

With appreciation of your thoughtfulness in sending me the clipping from the Kansas City Star,

Sincerely,

A handwritten signature in cursive script that reads "Cecil B. deMille".
